PROFESSIONAL SUMMARY:

I am a highly skilled and results-driven Full Stack Developer and a Graphic Designer with a passion for creating efficient and scalable web solutions. With three years of experience, I have a proven track record of delivering high-quality software products in fast-paced and collaborative environments. My expertise spans both front-end and back-end technologies, and I am adept at turning ideas into fully functional applications.

PROFESSIONAL EXPERIENCE:

Full Stack Developer – Tech365 Germantown, Maryland 2023 - Present

- ✓ Collaborated with cross-functional teams to deliver high-quality software solutions.
- ✓ Developed and maintained full-stack applications using JavaScript, Python, Vite, React, Django, HTML5, and CSS.
- ✓ Utilized Version Control to manage codebase efficiently.
- ✓ Applied responsive design principles for optimal user experience.
- ✓ Worked on the front-end and back-end development of client websites, ensuring responsive and user-friendly designs.

Graphic Designer and IT Support - SPADE TELECOM & IT, Laurel, MD. 2017 - 2022

- ✓ Created visually appealing graphics using Adobe Creative Suite (Photoshop) and CorelDraw for various projects.
- ✓ Executed branding and print design initiatives.
- ✓ Provided IT support, including troubleshooting, hardware maintenance, software installation, and network support.
- ✓ Collaborated with clients to understand design requirements and deliver creative solutions.
- ✓ Conceptualized and designed visually compelling graphics for various projects.
- ✓ Provided IT support, ensuring the smooth functioning of hardware and software systems.
- ✓ Maintained and updated websites with fresh graphics and content.
- ✓ Diagnosed and resolved technical issues, providing timely assistance to end-users.
